AUDITOR'S REVIEW REPORT

TO : MINISTER OF FINANCE

The Office of the Auditor General has reviewed the balance sheets of the Export-Import Bank of Thailand as at June 30, 2006, and the related statements of income for the three-month periods and six-month periods ended June 30, 2006 and 2005, changes in capital, and cash flows for the six-month periods ended June 30, 2006 and 2005. These financial statements are the responsibility of the Bank's management as to their correctness and completeness of the presentation. The responsibility of the Office of the Auditor General is to issue a report on these financial statements based on the reviews.

The Office of the Auditor General conducted the reviews in accordance with generally accepted auditing standards applicable to review engagements. Those standards require that The Office of the Auditor General plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the Bank personnel and analytical procedures applied to financial data and thus provides less assurance than an audit in accordance with generally accepted auditing standards, and accordingly the Office of the Auditor General does not express an audit opinion.

Based on these reviews, nothing has come to attention that causes the Office of the Auditor General to believe that the Bank's financial statements are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

The Office of the Auditor General previously audited the financial statements for the year ended December 31, 2005 of the Export-Import Bank of Thailand in accordance with generally accepted auditing standards and expressed an unqualified opinion on those statements in report dated February 14, 2006. The balance sheet as of December 31, 2005, presented for comparative purposes, is part of the financial statements which the Office of the Auditor General has audited and issued a report thereon as stated above. The Office of the Auditor General has not performed any other auditing procedures subsequent to the date of that report.
