• In the Essential package, we count the number of reports you receive, regardless of whether they are for the same company.

• Monitoring & Ledger do not apply for the Republic of Ireland

• At the Advanced and Premium levels, we count the number of companies for which you request information. If you have requested a report about a company, you can monitor that company at no extra cost. If you have a Premium package, this also applies to Ledger Management and XSections Network.

• Advanced and Premium packages: the count begins at the start date of the agreement and is valid for 1 year. The count resets after the 1-year period.

\* **NOTE:** In order to be able to use the Ledger Management solution (included in our Premium package), you need to install on your system a plug-in provided by d-basics (the d-basics Collector). Ahead of this contract, you should have been provided with a leaflet containing the requirements that your financial software programme(s) and other systems must meet to enable the successful linking of the Collector. In the appendix 1 of this contract, you will find the end-user license agreement for the d-basics plug-in ("License Agreement") that you must sign.
