

## EXIM Thailand Joins Forces with PDPC to Elevate Personal Data Protection Standards to International Level

Dr. Rak Vorrakitpokatorn, President of Export-Import Bank of Thailand (EXIM Thailand), and Dr. Siwaruk Siwamogsatham, Secretary-General of the Personal Data Protection Committee (PDPC), signed a Memorandum of Understanding (MOU) to collaborate on disseminating knowledge about personal data protection within the financial institution sector levels at EXIM Thailand’s Head Office on July 9, 2024. This partnership aims to facilitate the exchange of experiences and knowledge with various organizations and entrepreneurs to elevate personal data protection standards to international. The agreement also focuses on enhancing work processes and data management systems, thereby increasing credibility with customers and stakeholders while driving businesses towards sustainability.
